Skills

Programming Languages:

JavaScript, ReactJS, ExpressJS,
NodeJS, JSON, AJAX,
ASP.NET, C#, PostgreSQL
HTML5, CSS3, C, MVC,
Bootstrap

Software:

Visual Studio Code, Git,
SublimeText 3,
Anaconda

Systems:

Linux
Windows
iOS

Project Experience

Capstone—<https://github.com/iVictor-Git/capstone-front>

Apr 10 – present

The project consists of an idea to combine an apartment finder/roommate(s) finder into one.

- Analyzed requirements and planned project out, in the form User Stories, wireframes. Utilized ReactJS, NodeJS, ExpressJS, PostgreSQL.
- Implemented my own server to query a PostgreSQL database to request data from and coded a responsive Single Page Application (SPA) front-end.
- Applied technologies, with the guidance of documentation and online resources.

Work Experience

Indexer, BIC Graphic

Oct 16-Sep 17

- Reviewed current practices on entering orders, then implemented macros to everyday tasks.
- Integrated those macros into the workflow that increased efficiencies ranging from 20%-60%.
- My overall efficiency was 200%-220% of what was expected.
- Utilized Oracle software, Logitech hardware, Windows 7 OS, Microsoft Outlook

Education

LaunchCode's LC101, Tampa

Fall 2017 – Spring 2018

- LC101 is a 20-week course designed to prepare participants to become web developers.
- The course is taught in several programming languages, including Python, Java, and JavaScript
- All students will complete the same core curriculum in Python and then learn a specialized language track designed to hone key skills that are in high demand.

Harvard's CS50x

Summer 2016

- Studied Intro to Programming designed by Harvard through edx.org
- Learned C programming and established foundational principles of computer science.
- Solved problem sets created by the CS50 Harvard Staff.

Codecademy

Fall 2015 – Spring 2016

- Coding website offered on the web
- Learned Python, HTML5, CSS3, JavaScript, SQL, and Git on an introduction level
- Programmed through the exercises at the end of each language.

Pinellas Park High, Largo

Aug 09 – Jan 13

High School Diploma
